

Positive

Given an integer number N, determine if N is positive, negative or zero.

Input

An integer number, N $[-100 \leq N \leq 100]$

Output

One line of text indicating if it's positive, negative or zero:

"Positivo" if N is positive,

"Negativo" if N is negative and

"Cero" if N is zero.

Example

Input:

-23

Output:

Negativo
